

FAST-PACED FUNDRAISING!

AN EXCITING WAY TO RAISE MONEY!

Tired of the same old charity walks and golf outings? Stand out with the thrill of kart racing!

ABOUT MCC

Motorsports Country Club of Cincinnati (MCC) is a privately owned and operated members-only racing club that is not open to the public except for corporate and charity events. MCC features a professional .7 mile road course, with 7 different configurations, designed specifically for racing karts. Our facilities include a full service clubhouse with men's and women's locker rooms, kitchen, observation deck, lounge area, and conference room perfect for any event. At MCC, we strive to provide an exceptionally fun and safe environment for any age or experience level. Our track includes wide run-off areas and safety barriers, and our Club Pro, Shawn Bayliff, oversees all corporate events and is available for on-site driver instruction.

HOW IT WORKS
